

INTERNSHIP WEEKLY REPORT

NAME : JIBISHA JOSHY

REPORTING PERIOD : 27/02/2023 – 10/03/2023

- After learning basics of HTML and css and javascript created a registration page as task. The task was for evaluating the grasping skills and creativity. Also done the Validation part in the page.

The screenshot shows a web browser window with the address bar displaying "C:/Users/Admin/Desktop/sample/registration.html". The page has a solid reddish-brown background. In the center, there is a white rectangular box containing a registration form. The form is titled "Registration" and is organized into two columns. The left column contains fields for "Name", "Email", and "Password", each with a placeholder text "Enter name", "Enter email", and "Enter password" respectively. The right column contains fields for "Username", "Phone Number", and "Confirm Password", each with a placeholder text "Enter username", "Enter phone number", and "Enter name" respectively. At the bottom of the form, there is a wide, orange-yellow button labeled "Register".
